

Freedom Day, 27 April 2021 at 3:00pm - 4:30pm **Join together for 90 minutes of focused prayer**

In the months leading up to the historic 1994 elections, the vast majority of people in the country and around the world believed that South Africa was on the verge of disaster. Some even expressed the possibility of civil war or, worse, even a scenario like we saw in Rwanda.

THEN THE CHURCH ROSE IN PRAYER

People got together in churches, offices, and homes to seek the face of the Lord, and what was doomed to be a disaster was miraculously turned around into a peaceful transition that was applauded by the world. The Rainbow nation was born.

Now today, 27 years later, South Africa is again on the verge of disaster. We are plagued by a lack of decisive political leadership, corruption and greed. Furthermore, the COVID pandemic has created an untenable situation that has led to dire poverty, an ever-widening gap between rich and poor, huge unemployment and a government that has run out of resources and strategies needed to turn the situation around.

ONCE AGAIN, THE CHURCH (ALMOST 80% OF OUR POPULATION) NEEDS TO RISE UP URGENTLY AND CALL ON THE GOD OF THE BIBLE TO INTERVENE IN THE AFFAIRS OF OUR NATION.

Values, morals and principles of God's word that have been eroded and even discarded needs to be restored. The time has come for the church to repent of lethargy and "political correctness" and cry out to the Lord to revitalize and restore to the church a dynamic prophetic voice to speak with clarity amidst the disaster we find ourselves in.

Urgently, we need to pray and ask the Lord to raise up the Daniels, Josephs and Nehemiah's of our day. Men and women of integrity, many of whom are members of churches, who will put the constitution and the rule of law above politics. They must be encouraged to stand up and occupy positions of leadership at all levels of government - local, provincial, and national. Men and women who will resist corruption and build a better future in our country for generations to come.

We sense an urgency in the spirit – so we call you to join The Return South Africa – 2021:
